

Junior Warden Stewardship Letter

Holy Trinity by the Lake has many responsibilities that support our parishioners and community. One is to provide a safe and comfortable space for worship, for our staff and clergy to work, and for groups within our congregation and community to meet. We have been blessed over the years, with the support of our members, in pledges of time, talent, and treasure sufficient to be able to satisfy those responsibilities.

In addition to providing the means to pay the salaries of clergy and staff, support activities that promote fellowship among the congregation, and perform outreach in our community, our church budget allocates funds for the maintenance of the environment that makes it possible to focus on spreading the word of God through worship and outreach. In the past year we have enabled the accomplishment of major projects in air conditioner replacements, roofing, and painting as well as minor ones in plumbing and electrical issues. We also issued new keys for the entire campus in January to ensure we had the processes in place to keep the campus secure.

The support of the congregation in pledges of time, talent, and treasure is essential to our doing the work of the church now and in the future. Please prayerfully consider and pledge so we may continue to build community together.

Thank you.

Bill Wilson, Junior Warden
