

HOLY TRINITY
BY THE LAKE EPISCOPAL CHURCH
EST. 1896

September 15, 2023

Dear Friend,

“Building Community Together”. Isn’t that what we do here at Holy Trinity by the Lake. What is community? For me, it is the people that we love that share our lives. For all of us here, it is the people that mean so much to us, whom we worship with, pray with, share with, and grow with together.

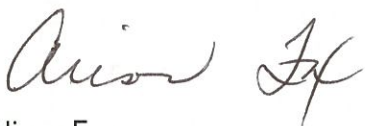

We at Holy Trinity are so blessed - blessed with a wonderful community. No one wants to hear about the bills that we pay, so let me try to talk about finances in terms of our community. Our community celebrates God the Father each week through worship together. We celebrate our youth through parties and programs that we do together. We learn through Sunday School together. We grow through Bible Studies and other groups together. We enjoy fellowship through Dinners for Eight and Book Clubs and other celebrations together. We celebrate God’s love through outreach to others. Community is not one person but all of us!

Financially, we are a community of givers! It most certainly takes all of us to take care of our community! We are truly blessed to have such generous givers! Without each of your gifts, we would not be able to Build our Community. We strive each and every day to reach the best we can be and to be the hands and feet of God for our Holy Trinity community and the outward community.

Over the next few weeks, we will be sharing letters and other information regarding this year’s Stewardship Campaign.....”Building Community Together”. I hope that you will prayerfully consider what you can do to help us meet our goal of continually improving all of our programs to do God’s work in our community of Holy Trinity by the Lake and in the Rockwall/Heath community as well.

Please visit <https://onrealm.org/HTBTL/AddPledge/2024> to make your pledge or return the pledge card that you have received. Together we will continue to Build our Community.

Sincerely,
