

"Give thanks to the Lord, for he is good, for his steadfast love endures forever!" Ps. 107:1

Building Our Community – Together

Dearly Beloved,

As I write this letter, I have been thinking over the last few weeks about this fall and how this community is coming back together, with ministries, programs, and gatherings. The best part of all is that most are now "IN PERSON"!!! I am just overjoyed with our horizon as we all walk towards our future. In other words, I sit here with a grateful heart.

I have a grateful heart towards a loving God, who has loved and cared for us for the last few years, as our lives went through some turbulent and confusing times with COVID.

I have a grateful heart towards our Lord Jesus Christ, who continued to teach us to worship God and to love our neighbors. Through the teaching of our Lord Jesus Christ, we have continued to take care of one another and our community, especially those in need. And we all know that the need has been great.

I have a grateful heart towards the Holy Spirit and the guidance that the spirit has given to Holy Trinity by the Lake. The Holy Spirit has been walking with all of us here at Holy Trinity and has led us to where we are today, a strong faithful church.

I have a grateful heart towards the opportunities that God is giving us towards an exciting future. This coming year, the staff, and many others have been working on new and stronger programs that will serve our members of all ages. From our little ones to those that are retired, we want to make sure that all people of all ages feel encouraged and excited to be part of the Holy Trinity community. This is a must for our church as we head into our new year, because as a loving community, we have attracted new members to our church, people moving into the area, people in our community, and this includes new families with children, and this is exciting for our future in the years to come.

I have a grateful heart towards the Holy Trinity members, who graciously continue to support the ministry of Holy Trinity, with a generous heart. It is your generous heart towards God, who allows our worship, evangelism, programs, music, teaching, and outreach, to flourish.

As we all know, Holy Trinity has ministered faithfully for more than 125 years in our surrounding community – not because members have given year after year out of duty, obligation, guilt, or fear. Such motivations cannot sustain a church.

Our church is still here, still strong, and vibrant, because generation after generation of members over the years, know the love of Jesus Christ, and have counted themselves blessed and have therefore supported the Holy Trinity mission with generous gifts of gratitude and joy.

Your generous gift will continue to build the mission of Holy Trinity by the Lake, so I ask that you to please consider giving what you can or if you can, increasing your pledge for 2024 and beyond.

Let us all build our community – Together.
